Sermon Series: **Defining Our Faith**

*Sola Fide*

**Faith Works: The Nature of Saving Faith**

**Introductory Thoughts**

Our response in salvation is faith, but even that is not of ourselves [but is] the gift of God. Faith is nothing that we do in our own power or by our own resources. In the first place we do not have adequate power or resources. More than that, God would not want us to rely on them even if we had them. Other wise salvation would be in part by our works, and we would have some ground to boast in ourselves. Paul intends to emphasize that even faith is not from us apart from God's giving it.

**What Faith is not:**

*i) It is not a subjective feeling*

*ii) It is also not credulity*

*iii) It is also not optimism.*

**What Saving is Faith is:**

*i) Knowledge* (an intellectual element –*notita*)

*ii) Heart response* (an emotional element – *assensus*)

*iii) Commitment* (a volitional element - *fiducia*) –
